

AN ANGEL IN THE BOOK OF LIFE  
WROTE DOWN OUR BABY'S BIRTH.  
THEN SHE WHISPERED AS SHE CLOSED THE BOOK,  
*"too beautiful for earth."*

The Lord is my Shepherd. I shall not want.  
He maketh me to lie down in green pastures.  
He leadeth me beside the still waters.  
He restoreth my soul.  
He leadeth me in the paths of righteousness  
for His name's sake.

Yea, though I walk through the valley of the shadow of death,  
I will fear no evil for Thou art with me.  
Thy rod and Thy staff, they comfort me.  
Thou preparest a table before me  
in the presence of mine enemies.  
Thou anointest my head with oil, my cup runneth over.  
Surely goodness and mercy shall follow me all the days of my life and  
I will dwell in the house of the Lord forever.

**M**y champion you know something, I have no words to thank Father God for the time we had you with us. I am very grateful to him. Since the very first few days we knew I was pregnant with you, it was a blessing to us. My son, you were always a very happy, active baby. You were a child who would eat very happily. We will never forget your smile, your first words, your antics. We will always remember you, the beautiful moments that we shared together with Dad, Mom, your sister, your grandparents, uncles, aunts and the people who surrounded you with love. God only knows why he took you so soon, but you're a little angel from heaven. God needed you and that's why he came for you. You're a baby very loved by the whole Xiquin family and the Silva family. I know you're up in heaven smiling down at me. You know we'll never stop loving you and we'll always have you present in our mind. A big hug and a big kiss that lasts for a lifetime my son, Alan Alexander Silva Lopez. You are and you will be a blessing for me. Never forget that I love you and I will love you like the first day I held you in my arms. My little angel from heaven.
